BUYING GUIDE

91 **Red Poets 2007 Euphony (Paso Robles); \$68.**

This is exactly the kind of unusual red blend that is giving Paso Robles such a good name. Made from Syrah, Petite Sirah and Zinfandel, it's an enormously attractive wine, dry and well-structured and complex. It shows flavors of blackberries and black cherries, currants, smoked meat, olives and cedar, with a slightly funky, Burgundian note of barnyard. Drink now.
